This handmade bracelet, made with real horse hair and fine sterling silver accents, retails for \$200.00 and has been made available to you at the special price of \$140.00.

The proceeds from this bracelet directly support the USHJA Foundation and the Horseman's Assistance Program, which provides urgent assistance to horses and equestrians in need.

The USHJA Foundation was created to provide funding for educational programs, grants, scholarships, and research, as well as emergency assistance to those in need. This Foundation serves a broad base of equestrians who are members of the United States Hunter Jumper Association. These members include dedicated horsemen and horsewomen, equestrian-related organizations and horses.

This year the Foundation has provided urgent relief to several USHJA members including: a life-long equestrian with stage 4 lung cancer; an aspiring young professional who broke her back; a braider unable to work after receiving life-saving surgery; and a seasoned horse trainer injured in a fall. In addition to providing assistance to these dedicated equestrians, the Foundation also provides assistance to equestrian related organizations and to help our horses.

It's only through donations and fundraising that the Foundation is able to continue its work in supporting those in urgent need and the needs of the industry as a whole. This Foundation is working toward providing research grants, educational scholarships, and support for USHJA programs such as the Emerging Athletes Program which identifies young talent throughout the country and provides them the opportunity to develop their skills.

The USHJA Foundation provides philanthropic equestrians and industry supporters with the ability to play an important role in the future of our sport. Each contributor to the Foundation will know they personally made a difference. With **90 cents** of every dollar going directly to these important programs, the USHJA Foundation encourages every member, as well as all hunter/jumper enthusiasts, to help support the industry we all love. We ask you to help us in **Making A Difference** in our sport!

BLOWING ROCK CHARITY HORSE SHOW  
FOUNDATION, INC.  
POST OFFICE BOX 650  
BLOWING ROCK, NORTH CAROLINA 28605

The Blowing Rock Charity Horse Show celebrates its ninety-first anniversary this summer. We are very excited about our upcoming horse shows. In addition to our showcase events from the past, the Kathryn G. Clark Challenge of Champions, the Russell Hall Jumper Classic, the USHJA International Hunter Derby and the L.P. Tate Jumper Classic, we are also offering two Pre Green Incentive Classics each week and Classics for Amateurs, Juniors, Ponies, Childrens and Adults.

Our horse show serves as the primary fundraising effort for the Blowing Rock Charity Horse Show Foundation, and we hope you will consider supporting our organization. Please contact us about sponsorship opportunities for our shows. The Foundation was established in 1999, and received 501(c)(3) organizational status from the Internal Revenue Service with the goal of continuing the support given to local non-profit emergency healthcare services in the area, animal welfare organizations, and promoting equestrian sports, education, and recreation in the North Carolina Mountains.

Proceeds from the show have been used to support local emergency healthcare organizations in the High Country, such as the Blowing Rock Fire Department and Rescue Squad. Through the Blue Ridge Parkway Foundation, the horse show has contributed to the preservation and maintenance of the carriage trails for equestrian access in the Moses H. Cone National Park, which adjoins our horse show grounds. We are happy to serve as a gateway for thousands of horse enthusiasts to the twenty-six miles of trails in the Cone Estate. Our organization is also committed to animal welfare, supporting the Watauga County Humane Society, Horse Helpers, the AHJF Equine Relief Fund and Saddlebred Rescue. We are also happy to support the Appalachian State University Equestrian Team.

Since last year's shows, we have made several major improvements to our facility. Plans are underway for further significant improvements to the LM Tate Show Grounds. We are most grateful to our Capital Campaign supporters for making all of this progress possible, and we welcome inquiries on how you can become a part of insuring our future for generations to come. Our event would not be possible without the hard work and generous support of so many.

Sincerely,

Burr Collier  
President
