First, let us express our gratitude to the local and national sponsors who have supported many of our events as well as the Aiken community. Your promotional-dollars have not only generated direct marketing exposure for your organization; they have also positively impacted the residents of our community.

Progressive Show Jumping, Inc. (PSJ) is an equestrian-oriented, customer-service business that is driven by the recreational dollars participants spend during its events. Located in the heart of Aiken, SC, Highfields Event Center has become a “mainstay” for many equine enthusiasts. Subsequently, we believe that this commitment produces top-quality enjoyable and safe events.

Businesses that contribute toward the PSJ sponsorship program gain direct exposure among these participants. With price levels ranging from \$100 for a single event to packages that encompass multiple events throughout the year, there are practical options for organizations of all sizes.

As we continue moving ahead, we look forward to strengthening our partnerships with current sponsors as well as discovering new ones along the way. We realize the business environment remains volatile and that many of the decisions made now are by necessity rather than choice.

Again, thank you for your direct role in supporting our events as well as indirectly “giving back to the community”.

Best regards,

*Rick and Cathy Cram*

In order for us to schedule the entire day, your entries will need to be in the show office by 5 pm the day prior to your show day.

The system will not function correctly without your input.

Once received, we will make a time schedule agenda. The rings will have a start time and a finish time for each class/ division where you will check in with your starter for a first come/first served sign-up order of go. Please make sure you check in often with your ring starter to stay informed on your upcoming classes. Special Classes will have a computer drawn order which will be posted on the course board prior to those classes.

The schedule will be posted online on our Facebook page the day before you show. If you are not on Facebook, there is a link to the Daily Agenda at [psjshows.com](http://psjshows.com).

We encourage you to double check early each day that you are entered into any class you plan on competing in the next day. Adds/Scratches in the office do not cost you anything, and correct numbers ensure that we know ahead of time which Medals or Divisions will fill. Late Adds & Scratches will cause changes in our tentative start/finish times. Same Day Adds (Allowing entries to show which are not on the official starter's class sheets) may not be allowed, so make sure you are on the class sheet!

**Animal Welfare:** We require that all horses be treated with kindness, respect and compassion and should never be subject to mistreatment. Owners, trainers, riders and grooms, or their agents must use reasonable care in the handling and treatment of their horses whether owned or placed in their care for competition or for any other purpose. At all times, while the horse is on the show grounds, we will provide for the continuous well-being of the horse by vigorously enforcing the rules of the USEF which pertain to the welfare of the horse. USEF rules defining policy regarding abuse and use of whips will be strictly enforced. No poling, use of bamboo off-set or excessive use of the whip will be tolerated. The well being of the horse must be considered above the demands of the breeders, trainers, riders, owners, dealers, organizers, sponsors or officials. Violators may be subject to penalties pursuant to USEF rules. In the event of an acute and serious injury to or illness of a horse on competition grounds when the owner or trainer of the horse or agent of the owner is not present, after reasonable effort to contact that individual has been made, competition management, in consultation with a licensed equine veterinarian, may authorize the provision of emergency veterinary treatment of the horse.
